#### **OUR EMBLEM**

**Open Heart of Gold, with Silver Cancer Awareness Ribbon Entwined, accented with our forget-me-not.**

The Heart represents the love for our order, with love in our hearts we can open a world of possibilities. The Awareness Ribbon reminds us of the need to continue to find a cure. Cancer has touched so many lives and we hope one day there will be a cure. The forget-me-not is to remind us to never forget those we who have lost the battle & those still fighting to live.

#### **OUR COLORS**

#### **OUR FUN EMBLEM**

**The Moose**

At just 5 days old the moose can outrun a human. I have no doubt that our friend "Speedy" will be running up & down our beautiful State sharing the love of our Order with all those he encounters.
