

2012 Travel Program

Our Travel program for 2012 will be a three part program.

Each part will be rewarded after completion. The ultimate goal would be to complete each part and be rewarded the Travel

Pin (part I) along with the attachments (parts II & III). The paperwork will be submitted to the Presidents of either the Northern Grand

Representatives or the Southern Grand Representatives to be rewarded by the Grand Representatives, present or former.

There are three forms. Begin immediately upon the start of the 2012 Grand Chapter year. We look forward to seeing each other as we "Race Toward the Winner's Circle!"

Points from Part I continue throughout the 2012 Grand Chapter year. For example, if you are unable to attain the 25 points required for Part I until May 2012 you are still eligible to receive the Travel Pin. As additional points are earned the participant is eligible to earn the attachments to the Travel Pin based on the required points.
