FEBRUARY 2022

Heart Research

HEART RESEARCH FUND

The Heart Fund has been selected by our Worthy Grand Matron and Worthy Grand Patron as one of their "Special Projects" for 2022. This charity holds special significance for both of them, as well as many members of our Order, as members and their extended families have been affected by heart disease.

The Heart Research Fund was established to help others find answers and treatments for heart disease. Donations made to the Heart Fund are provided to a charitable non-profit organization of the Worthy Grand Matron and Worthy Grand Patron's choosing that is dedicated to heart research.

Donations to this fund are always appreciated and we especially appreciate these donations during the month of February, "the heart month". Please support this "Special Project" for 2022!
