Q: What is Big Day of Giving?

A: The Big Day of Giving is an online fundraising tradition that began in 2014. This giving event is powered by the Sacramento Region Community Foundation which brings all of us together to support the critical efforts of charitable organizations. Your gift of any amount will directly benefit our 2024 project, the Fly Brave Foundation.

Q: What Is Fly Brave?

A: The Fly Brave Foundation assists special needs young adults who have aged out of the system and no longer have a support structure assisting them. Fly Brave gives them social and technical skills within a safe environment that understands their needs.

Q: What do you need me to do?

A: We are running this Big Day of Giving campaign now through tomorrow, May 2nd, and asking you to donate and then share, share, share! Join the movement and share this post with family and friends to help us to help others and to spread the word of Eastern Star for all to see the good that we do in our communities.

Donate now or at any time at [Donate Link – Fly Brave](#) or make a check payable to California Eastern Star Foundation, memo Big Day of Giving, and mail to the Grand Chapter Office, 16960 Bastanchury Rd Ste C, Yorba Linda, CA 92886-1711
